n v a f p . c o m

COME CELEBRATE WITH US!

On behalf of the Nevada AFP, we invite you to join us for up to 58.5 credits of CME in 6 days, world-class downhill and cross-country skiing, snowboarding, sledding and nightly activities. Please join us for a package unequaled anywhere, and see why we can say it is "The Original and Still The Best" Winter CME Meeting in the West.

The word "Tahoe" says it all...located in the heart of the Sierra Nevada, this exquisite alpine lake sits at 6,225 feet above sea level and is surrounded by several of the finest ski resorts in the World. Lake Tahoe has a ski season that runs from mid-November to mid-April, an average of 40 feet of ski-level snow per season and more than 300 sunny days per year make Tahoe skiing legendary. More than 20 ski areas are within an hour's drive and Heavenly Mountain Resort is just steps away from Harrah's Lake Tahoe. With 4,800 acres, 97 trails, and 28 lifts, there is something for every level of skier at Heavenly.

We are excited about returning to Harrah's Lake Tahoe. Located near crystal clear waters and majestic mountains, Harrah's Lake Tahoe is a AAA Four-Diamond Award winning hotel that is as impressive as the lake itself. With award-winning guestrooms, seven exceptional restaurants, a magnificent swimming pool and a luxurious spa, Harrah's Lake Tahoe is the perfect getaway.

We hope you can join us for great CME and a wonderful vacation!

Catherine McCarthy, MD, FAAFP - NAFP CME Chair

HOTEL REGISTRATION

Harrah's Lake Tahoe, 15 Hwy 50 Stateline, NV 89449

Book your room online at nvaafp.com or call 800-455-4770. All reservations made by phone will be subject to a \$15 fee. KSA GROUP LEARNING SESSION (formerly SAM Session)

Please join us for our KSA Group Learning Sessions on Behavioral Health Care and Asthma. The Clinical Self-Assessment (formerly Clinical Simulation) is no longer required and is an optional activity. All results from the KSA will be automatically transmitted to the ABFM. At the completion of the self-assessment module, participants will receive 8 CME and 10 points for each KSA from the ABFM. Additional per-session fee of \$150 for Meeting Attendees and \$200 for Non-Meeting Attendees.

POKER TOURNAMENT

More information will be available soon at nvafp.com.

DISCOUNT SKI LIFT TICKETS — NEW THIS YEAR!

Discount ski lift tickets for Heavenly Mountain Resort, Northstar-at-Tahoe, and Kirkwood will be available for sale online ONLY. Please check the NAFPP website for the link to purchase tickets in mid-December. **Tickets will be for sale from mid-December through January 14, 2022. Tickets must be purchased in advance and WILL NOT be available for sale at the registration desk this year.**

ACCREDITATION

CONTINUING MEDICAL EDUCATION CREDIT: This program has been submitted to the American Academy of Family Physicians for up to 42.5 Prescribed Credits (plus an additional 8.0 Prescribed Credits for each KSA session).

Physician Credit: AAFP Prescribed Credit is accepted by the AMA as equivalent to AMA PRA Category 1 for the AMA Physicians Recognition Award. When applying for AMA PRA, prescribed credits earned must be reported as Prescribed Credits, not as Category 1. Each physician should claim only those credits that he/she actually spent in the educational activity. One hour of lecture equals one credit. Program evaluation must be completed and turned in to receive credit.

AAFP adheres to ACCME Standards regarding industry support of continuing medical education, and disclosure of faculty and commercial sponsor relationships (if any) will be made known at the activity. Speakers are also expected to openly disclose inclusion of discussion of any off-label, experimental, or investigational use of drugs, devices, or equipment in their presentations.

OBJECTIVES

Physicians attending this program will receive current information on a diversity of medical topics pertinent to patient care in daily practice. Topics were chosen from suggestions submitted on evaluation forms completed by 2021 Winter CME Meeting attendees, as well as future trends and the relevance to quality patient care. At the conclusion of the program, registrants will have a working and applicable understanding of these topics. Objectives for each individual presentation will be included in the meeting syllabus and speaker handouts. This meeting also allows an opportunity for students, residents, practicing physicians, educators, and faculty to interact academically, professionally, and socially.
